FRIDAY 8 JUNE, 2018

Kia ora Parents & Caregivers,

Term 2 at Bethlehem College has been full of speech writing and presentations. While the writing of speeches is a skill in itself, the key to this focus is around the development of presentation skills. Growing students that have the ability to communicate ideas and messages effectively is an important part of our vision for our learners. This week we had our Year 5 and 6 speech finals. This event saw the top two speech makers from each class present to the school. The standard of speeches was very high and all those present enjoyed hearing the large range of topics being presented on.

Results:

Year 6 Winner Charlie Etherington
 Year 6 Runner up Romy Noel

Year 5 Winner Charlotte Dominikovich
 Year 5 Runner up Chloe Buck

Overall Winner of the Speech Cup - Charlie Etherington.

We are unable to name all the items here, you must be there on the night to have the opportunity to bid on items and have some great fun whilst raising funds to support our children in the wonderful education they receive. We are grateful to Bethlehem College for this.

Cross Country!

Last week we joined together as a primary school and competed in our annual cross country! It was a beautiful day and we loved seeing all our wonderful learners out running for their Houses. Congratulations to all our runners and a special well done to those who will now go on and represent Bethlehem College at the North Cluster competition.

Sore Throats - Rheumatic Fever

At this time of year when students are effected by colds and sore throats it is timely to remind families about the more serious health risks of strep throat which can occur.
