

FRIDAY 28 SEPTEMBER, 2018

Kia ora Parents & Caregivers,

As we finish off Term 3, we pray that you have a blessed and refreshing school holidays. Looking ahead to next term, there are a couple of things we'd like to bring to your attention:

Lunchbox Challenge - A message from C4

We are a Year 6 class that is passionate about making a positive difference in our school community. Through a survey, we have identified a problem which is a lot of litter around our school. We think that we have come up with a solution – LITTERLESS LUNCHES! We have created an iMovie to show you how litterless lunches can greatly reduce the litter in our school. Please take some time to watch this with your child, talk together about the benefits of a litterless lunch and what this might look like for you and your family. Next term, we will be organising a litterless lunch competition to encourage litter free lunches throughout our Primary School.

We would love you to join with us in making a real difference. We can not do this without the support of our whanau and parents. Enjoy watching the video by [CLICKING THIS LINK](#) [The C4 Team](#)

Scooter Day

We would like to invite children to bring a scooter to school on the first Friday of Term 4 - 19th October. These scooters need to be safe to ride and all students who bring one will also require a helmet. During lunchtime we will set up a scooter area for children to enjoy riding together. They won't be used at other times during the day.

Mufti-Day

We are kicking off Term 4 with a mufti-day on Friday in Week 1. This is the same day as Scooter Day, so children can come dressed ready to ride!

Weetbix Triathlon - Sunday 25th November

We have again registered Bethlehem College for the Weetbix Tryathlon! Last year we had over 35 children taking part, and we'd love to see even more involved this year. Book this date out in your calendar and watch out for registration information early next term.

Blessings,

Marcus Norrish
Head of Primary
