

BC PRIMARY **NEWSLETTER**

FRIDAY 9 NOVEMBER, 2018

Kia ora Parents & Caregivers,

Last week Bethlehem College celebrated our Year 13's as they graduated from their time in this place. It's a time that filled with excitement, pride, sadness, joy and thankfulness. From a primary perspective, it is fantastic to see how those 5 year old bundles of energy that arrived at school 13 years ago have grown into young men and women, ready to go out and lead in the world. Our vision at Bethlehem College is 'To be a Christian learning community of excellence where lives are transformed'. Seeing so many examples of this vision being outworked through these students is such a blessing.

This week we held our Year 3/4 athletics event. There were so many enthusiastic athletes out on the field, both achieving high standards and have a go at new skills. On Monday we have our Year 5/6 event.

Blessings,

Marcus Norrish
Head of Primary

C4 Giving Back

Over the past couple of terms C4 have been engaging in an inquiry into the impact of rubbish in our school and community environment. The inquiry was inspired by a visit to the Forest Discovery programme. As a result the class has looked for ways of leading change around our school. This has included creating videos, animations and advertising designed to motivate children to put rubbish in the bins and making of Bees Wax Wraps to support litter-free lunch boxes.

This week the class invited Van Taylor from Forest Discovery into school. The class recognised that the inspiration for their learning was the passion and knowledge that he shared with them. So they decided that the profit made from selling their Bees Wax Wraps should be donated to the Forest Discovery Programme. The class presented him a cheque for \$250.
