AROUND THE SCHOOL

WBOP CROSS COUNTRY

The WBOP Cross Country Championships were held this week at Waipuna Park. BC had 16 children competing in the Year 4 - 6 event.

Isla Rogers came first in the Year 5 Girls event. This is an outstanding achievement in a strong field of young runners. Shima Fletcher and Bryn Nash also achieved second and third place respectively in the Year 6 Boys race which is also a significant achievement. Jasmine Griffiths, Emma Fletcher, and Dulcie Copeland also placed in the top 10 for the Year 6 girls race.

We would also like to congratulate Madison Berg, Charlie Calderwood, Joshua Kidd, Jasper Peacocke, Bonnie Pendergast, Caila Venter, Micke Venter and Kyle Walters who put a great effort into the race and placed in the top 30.

YOUR SPORTING STORIES

We have Hockey, Netball, Football, Gymnastics, Basketball and Badminton being offered this winter. We would love to hear about your awesome sporting stories of courageous play, teamwork and of course victories. Please send them to jane.wilson@beth.school.nz

MINI-BALL WORLD CUP

Our Year 5/6 mini ball  team had a fantastic day playing the Mini-ball World Cup at ASB Stadium. There was such a feeling of teamwork, enthusiasm and passion for the game - with plenty of skill on show too. Can you guess which country BC are this year! A special thanks to Mrs Phelps who tirelessly supports basketball in the primary!

MOTORCROSS SUCCESS!

Well done to Finley Reece who participated in the BOPMCC Trident High Inter Schools Motorcross competition on Friday 7th June at Awakaponga. He got 3rd place in the MX50cc 6-8 years. This is an awesome achievement Finley and we can see by your smile how much it meant to you. Best of luck for your upcoming races!

AROUND THE SCHOOL

STUDENT LEADERS

We are blessed to have a wonderful group of student leaders in primary again this year. They undertake a range of roles around the school and look for ways to contribute. Over the next few issues of the newsletter they are going to introduce themselves to you. This week we are hearing from Daniel and Zarah.

Hi, my name is Daniel and this year I have the privilege of being a BC Student Leader. I was born in South Africa and my family moved to NZ three years ago. In my spare time I like to ride my bike and I'm crazy about LEGO! In the weekends I enjoy spending time with my family at The Mount

and kayak fishing with my dad. Recently my family trained a guide dog puppy who has successfully gone into the breeding programme. In Year 4 I saw videos of the cyclone victims in South Africa so I organised a fundraiser for City Hope, a Christian organisation in Durban. My main goal as a Student Leader is to set a good example by being a team player and helping BC to be the best it can be.

Hi my name is Zarah. I am a Primary Student Leader. I am in Mrs Simms-Cook's class, E4. I am in Scott House. My hobbies are horse riding and drawing. I love animals and I love playing with my dog Sika. You will find me in the playground or just walking around the school. I love talking to people so if you have any worries at school come and see me or my Primary Student Leader friends and we will help out.

E2 VARIETY PERFORMANCE

ONLINE PRIVACY

A friendly reminder that posting images on Social Media such as Facebook or Instagram of students within the school setting, other than your own child, is not allowed. This includes children who might be in the background of a photo. We appreciate your support and considered attention to this matter for the safety and wellbeing of our students.

ABSENCE PROCEDURES

When your child is away from school sick or for any other reason, it is important that the office is notified before 8:30am. After our morning roll is taken the school office is required to follow up on any child who is absent if we haven't been advised why. This is a very important procedure designed to ensure the safety of all children. On one morning last week we had 27 unexplained absences, which needed to be followed up. Your support with this would be appreciated. You can let us know when your child is away by either emailing on absences@beth.school.nz or calling 5766769 (then selecting Option 1).

UNIFORM

Have you lost a school jersey? We have two unnamed school jerseys in the school office. Both are well worn and look to be sized for a Year 3/4 student. If you think one of these might be yours please see Victoria in the primary office.

BC Primary

Market Day

Tuesday 25th June
Time 1:30pm - 2:45pm
Venue: Primary Hall

This term children throughout BC Primary have been
'Getting Down to Business'.

Working together to research, design, create and develop
products for market.

Next Tuesday we will be running our Community Market
where each business will sell their product. We would love
to have you there to support the children and their ideas.

Children and families are invited to bring money to spend at
the market. All NZ\$\$ can be exchanged on the day at our
school bank. This is important as only \$BC Bucks will be
accepted for purchasing products at the market. To ensure
that children don't overspend we will not exchange more
the \$10 NZ per student at one time. We also ask that
students only exchange what they want to spend as the
bank will not buy back BC Bucks.

There will be a coffee cart on site for adults only.
