

BC PRIMARY **NEWSLETTER**

FRIDAY 20 SEPTEMBER, 2019

Kia ora Parents & Caregivers,

If you managed to come along to our primary production last week, I'm sure you'll agree that it was a fantastic show. There were plenty of proud parents, teachers and children as all those who performed displayed perseverance, dedication, teamwork and talent.

A special congratulations to those who carried lead roles in the show.

There were plenty of challenges along the way, but we were so proud of the way you overcame them and set such high standards with your singing, dancing and acting. We really appreciate Patrice Williams and the team from Gobsmacked Productions who produced the show and trained our students. They along with our committed teachers ensured that the whole event was a great success.

Next week we are hosting the North Cluster schools for a social tournament where some Year 5/6 students will take part in a non-competitive winter sports event.

Kind regards,

Marcus Norrish
Head of Primary

TERM 3 KEY DATES

North Cluster
Have-a-go Sports Event
Thursday 26th September

Last Day Term 3
Friday 27th September

FIRST Day Term 4
TUESDAY 15th October

AROUND THE SCHOOL

SPRING HAS SPRUNG!

Lots of little green thumbs in the garden this week. Carrots pulled and broad beans gobbled up!

A great learning experience for all children and lovely to see them venturing in to pull a few weeds, watch the bees busy at their work and try new foods.

TENNIS FOR KIDS

Peter O'Dea (NZT Competition Coach) presents a FUN 6 week tennis program, ideal for all levels of keen players. All games played mainly on smaller courts with shorter racquets and slower, softer balls.

AGE: 5-13 years
START: Monday 21st Oct
TIMES: 3.25 - 4pm, 4 - 4.40pm, 4.40- 5.25pm
WHERE: Bethlehem College Tennis Courts
COST: \$70.00 for 6 week program (Mondays)
NB: No tennis Oct 28th Labour Day

BASKETBALL SUCCESS

Congratulations to our BC Breakers Basketball team. This group of Year 5 and 6 students won their division after beating Tahatai Coast School in a nail-biting final! Thanks to the coaches and all involved in supporting the team!

PHYSICAL RESTRAINT OF STUDENTS

Sometimes it is necessary for teachers to physically restrain students. The Ministry of Education have guidelines in place as to how and when this could happen and the School has a corresponding procedure in place to deal with this situation, should it arise.

GIRLS CRICKET

We have a wonderful opportunity for girls in Years 3 to 6 to be part of Girls Cricket fun games and skills sessions. These will be happening on Wednesday lunchtimes during Term 4. To sign your girls up for this, follow the link and complete the form. [**SIGN UP HERE**](#)

TERM 4 SPORTS

We've had a wonderful winter of sport and we now turn our thoughts to the summer codes. This is a great opportunity to try out a different code, keep fit and have some fun!

Registrations for the following summer (Term 1 & 4) sports are now open. Registration is completed online via the Bethlehem College website. Go to www.beth.school.nz/, then go to Primary > Physical.

SPORT	YEAR GROUPS	REGISTRATION
Cricket	1 – 6	<p>To register visit: www.beth.school.nz/primary/physical/</p>
Flippaball	3 – 6	
Futsal	3 - 6	
Gymnastics <i>Registration is open for Thursday lunch time Gymnastic Academy lessons only. BC Gymnastic club will resume Term 1, 2020)</i>	2 - 6	
Rippa Rugby	1 - 6	
Volleyball	3 - 6	

Parent managers and coaches are always welcome and are in most cases crucial for teams to be formed. Please indicate your interest in either coaching or managing your child's team on the registration page.

We look forward to seeing plenty of BC kids playing sport this summer!

COMPUTER/MOBILE CODING

WHO

Bethlehem College students
in years 4 to 13.

WHAT

Fun and interactive high level
coding course learning how to
create program technology.

WHEN & WHERE

Term 4, 2019

Primary: Classroom C3

Mondays 12.30 PM (lunchtime)

Int. & Coll.: School Library

Fridays 3.20pm to 4.20pm

THE WAY TO SUCCESS

Our classes will help develop your young person's brain by teaching them advanced coding skills like how to make a computer/mobile/tablet website or application. We also include robots! Young people have an amazing capacity for learning and introducing them to technology coding while they're young will help set them up for success in our increasingly digital world. Your child will learn to not only passively consume technology, but to create technology so that they can be an active part of the digital era.

APPLY NOW (Limited Spaces Available)

To give your child the opportunity to learn how to program technology apply now at codingnz.com/signup
