Our Vision
To be a Christian learning community of excellence where lives are transformed.

@BCPrimary

Science learning focus is on God is our Creator. The children have been learning about how we can see God's hand around our campus.

A LOOK AT LITERACY

At this time of the year we are so encouraged to see the growth in the children. Literacy is a big part of our Primary learning as seen here in a walk around the Primary classes.

LEGO CLUB

The Lego Club run by Mr Martin has been busy and our cabinets are full of amazing creations that have been put together by our Primary children.

Our display cabinets are updated regularly and the primary office is a popular place to visit for all ages!

CHOIR FESTIVAL UPDATE

We have received notification that the Tauranga Choir Festival due to be held on Friday November 19th has been cancelled due to the current Covid restrictions. We want to especially acknowledge our two awesome soloists – Karlyn Richardson and Chloe Mathfield who have worked so hard and spent many hours learning their songs. The choir and our soloists have worked extremely hard and we are all disappointed that this event is not going ahead.

MUFTI DAY

Thank you for your kind donations for mufti day last term, the primary children collected \$435.10 which was forwarded onto Apanui Primary School in Whakatane.

Our last mufti day for the year will be held next Friday 5th November, the theme is "Animal" and our donations will be split between two charities RDA and the SPCA. Please remember to send your gold coin donations with your child on Friday to support these wonderful charities!

A big thank you to Laura, Zierra and Zu Er for their beautiful poster promoting Mufti Day!

UNIFORM

It has been encouraging to see so many named hats and sandals as we have come into summer uniform this term. Please check items as names do fade and can wear off over time.

Hats must be worn outdoors so your child needs to ensure they have their hats at school each day please.

We are reminding children that sandals are not to be worn with socks please. Thank you for your support with this.

Thank you again for your continued support for our great teachers. We are at that time of year that we are planning staffing and class placements for the next school year. As we confirm our teachers and classes we will let you know.

As teachers consider class placements for next year they are all aware that you as parents will be seeking the best for your children. If you have any concerns around your child's placement or supporting information, we ask that you do not make requests to your child's current teacher but submit any comments to me by email. Please do not send requests for specific teachers. Thank you for your understanding as we prayerfully and carefully consider the best fit for each child we are blessed to have in our BC whanau.

Ngā mihi,
Karen
