Intermediate Volleyball Y7-8

Trials: We will hold trials in week 2 of term 1.

Team info: There will be an intermediate A team for boys and girls and depending on numbers our goal is to have an 8A and a 7A team for both boys and girls as well. Beyond that there will be social teams who will be parent led and will not have set training slots until we know the EC availability.

Game venue: QEYC or Haumaru Sports & Rec Centre

Playing dates: TBC – typically starts week 3 or 4 and continues for the duration of the term

Game times: FRIDAYS between 4:00pm – 8:00pm. 40 minute games on full sized court with 6v6 and volleyball rules.

Practices: Times will be after school from 330-430/330-5/430-6pm depending on coach and court availability. The Intermediate A boys and girls teams will aim to have two practices per week. All other teams will have one training unless coaches and gym space are available for more. One of these trainings might be during lunchtime. All other teams will likely train during lunch. We are also looking at running a weekly development clinic for intermediate players to attend weekly as it has proven too hard to find experienced coaches for all the teams. This is to be confirmed and ideally would take place during lunch. If you have the capacity to coach with purpose and help grow our volleyball program please reach out to Jodi.

Cost: approx. \$80 per player

Uniform: BC PE gear and indoor court shoes.

Coaches: We are always in need of more coaches who know the game and for intermediates it's important to know the basics of how to pass, set, serve and where to stand on the court. If you are willing and able please let Jodi know.

Junior Volleyball Y9-10

Trials: Week 1-2 of term 1.

Team info: We are currently working on a format for term 1 as it is not the junior's competitive term,

but rather a time for them to gain foundations, skill and knowledge, with some game time mixed in with the weekly league. We are hoping to run a skill development clinic weekly for players to attend so they all have access to the same foundations regardless of whether their coach teaches it or not. Our plan will be to have the following teams selected for boys and girls: Junior A, 9A, 10A (potentially a fourth team depending on numbers) and that is it. These teams will have 1-2 trainings per week. Social teams will be parent-led and will not have guaranteed training slots until all other teams are slotted into the EC. Social players will have an opportunity to attend development clinics if we are able to put them into place.

Playing dates: TBC – typically starts week 2 or 3 and continues for the duration of the term

Game nights, locations & times:

- Jr Girls and Boys competitive teams (JrA, 10A, 9A) will play on **Tuesday** nights @ Haumaru Sport Center or QEYC
- Jr Girls and Boys social teams can choose to play on **Wednesday** nights @ QEYC. BC will enter the teams but as mentioned above, they will be parent-led.

Practices: Between the hours of 330 and 730pm Monday - Friday depending on coaches and event center availability. 1.5-2h training slots once or twice a week.

Cost: approx. \$90 per player for social. Then depending on which team and league you play on/in the fee will be between \$100 - \$120 per player (based off last year).

Uniform: for league play teams can wear their PE uniform and runners.
